INTRODUCTION

MY Interiors (Private) Ltd. is a commercial Interior Design Company, Providing innovative, effective workspace solutions to the corporate business market.

We Excel in creating quality, timeless environments, which simulate, enhanced productivity. Our project extend from corporate offices through to commercial buildings lobbies, retail interiors.

We are Space Planners, Interior Designers & Project Managers. We offer a complete comprehensive scope of design, Documentation Project, Site Management Services, can Take Responsibilities for all aspects of the project from commencement through to completion.

Our clients can choose to utilize all of our services or target specific areas & will deliver a successful Project.

Our thoroughness attentions to all project issue assure we deliver solutions, which satisfy, excel all expectations.

MISSION

Our mission is to elevate the way businesses perceive and utilize their spaces. We are committed to:

Innovation and Excellence: Constantly pushing the boundaries of creativity and technology, we strive to bring cutting-edge solutions to every project. Through our meticulous attention to detail and unwavering commitment to excellence, we create environments that stand the test of time and positively impact the well-being of occupants.

Client-Centric Approach: Our clients are at the core of our endeavors. We take the time to understand their unique needs, objectives, and brand identity. By engaging in collaborative partnerships, we ensure that every project is tailor-made to exceed expectations and reflect the essence of the organization.

VISION

MY Interiors (Private) Ltd., our vision is to be the preeminent leader in the commercial Interior Design industry, setting new benchmarks in workplace efficiency and aesthetic excellence. We aspire to create transformative spaces that inspire collaboration, creativity, and prosperity, while continuously raising the bar in delivering superior design solutions to our clients.

INTERIORS PVT.LTD

SERVICES

MY Interiors (Private) Ltd. offer an adapted, personally designed service to Suit each individuals requirements and budget. We affords all their clients the same level of services in design excellence & project control, irrespective of budgets or project definition. We provide expertise in the following areas:

PROJECT & SITE EVALUATION

Assessing the proposed building and space to ensure alignment with the re requirements.

FACILITIES & SPACE PLANNING

Undertaking a thorough needs analysis, identifying all requirements for the project. Prepare schematic plans to implement the research.

INTERIOR DESIGN SERVICES

Aesthetically visually consider the project using artist impressions , materials and finishes.

DOCUMENTATION + SPECIFICATION PREPARATION

Preparation and specification of all aspects for construction. Consultants are organized & contracted to undertake specialist documentation as required.

PRELIMINARY BUDGET ESTIMATE AND FEASIBILITY STUDIES.

Financial logistics issues are considered at the preliminary phase of the project analysis reporting provided .

TENDERING

Managing the complete tendering and evaluation phase of the project.

CONTRACT ADMINISTRATION

Liaise, contract, administer process all documents with project Partners.

CONSTRUCTION MANAGEMENT

Managing all on off site, works construction.
